EVENT | tech

A different dimension to event technology.

WHO WE ARE

Big Red Pin is the premier provider of technology services for event spaces and large public venues. We specialize in deploying enterprise-level Wi-Fi and VoIP solutions for events, which guarantee complete coverage of communications where and when you need it the most.

WHY WE DO IT

We are not just in the technology business; we are in the people business. We know that the hospitality and service that is provided by the venue need to be complimented by all aspects of the event. The warm feeling of a job well done is the goal, and not just a possibility.

CONTACT US

If you find that your event needs are growing and would like an experienced provider, we're here to help. We would love to talk with you. Give us a call.

WHAT WE DO

Convention centers, sports arenas, and public meeting spaces are prime examples of the spaces we currently serve, due to their high technological demands. We deliver a variety of services, ranging from hardwired internet and dedicated networks to specialized Wi-Fi for providing connectivity to an entire venue.

HOW WE DO IT

EXPERIENCE: We service over 200 events each year and 3 million people.
CUSTOMER SERVICE: Every step of the way, we are here to serve you.
EXPERTISE: We were born of event technology. It is what we do.
AGILITY: We are poised and confident in short time lines and constraints.
PARTNERSHIPS: We are affiliated with the top names in technology, including Extricom, ShoreTel, Cisco, among others.
EXPANSION: We are constantly adapting to the ever-changing needs of event technology and adding new services, such as Wi-Fi sponsorship opportunities.
